Full stack Developer | [shaiksahilkishwar24@gmail.com](mailto:shaiksahilkishwar24@gmail.com) | +91 9346763113 | [LinkedIn](#) | [Portfolio](#) |

Anantapur, Andhra Pradesh

## SUMMARY

Motivated Full Stack Developer with hands-on experience in Java, Spring Boot, SQL, HTML, CSS, and JavaScript. Skilled in building responsive and data-driven web applications and implementing features such as CRUD operations, billing modules, and admin dashboards. Strong problem-solving mindset with the ability to collaborate in team-based projects and deliver clean, structured code. Eager to contribute to a fast-paced development environment while continuously learning and improving.

## PROFESSIONAL EXPERIENCE

### Web Development Intern:

<i>Tap Academy</i>	Jan 2025 – June 2025
<ul style="list-style-type: none"><li>Worked on developing and maintaining web applications using HTML, CSS, JavaScript, and SQL.</li><li>Assisted in adding new features and resolving bugs to improve application performance and user experience.</li><li>Collaborated with team members through GitHub for version control and project management.</li><li>Gained experience in front-end styling, API integration, and responsive UI development.</li></ul>	
<b>Campus to Technical Careers Training Program Trainee:</b>	
<i>Capgemini Technology Services &amp; TNS India Foundation</i>	
	Aug 2024 – June 2025

- Completed an intensive industry-oriented training program covering SQL, Core Java 8, JPA with Git, Spring, Spring Boot, HTML5, CSS3, and JavaScript.
- Built real-world applications using Spring Boot and Java, including data persistence with JPA & Hibernate.
- Developed responsive UI components with Angular and integrated them with backend APIs.
- Followed industry practices such as version control with Git, clean coding standards, and debugging.
- Improved soft skills, teamwork, and communication through regular collaborative activities.

## TECHNICAL SKILLS

**Programming:** Java, JavaScript, Python.

**Backend:** Spring Boot, Spring MVC.

**Frontend:** HTML5, CSS3, JavaScript.

**Database:** SQL, MongoDB.

**Version Control:** Git, GitHub.

**Tools:** IntelliJ IDEA, VS Code, GitHub .

**Web Hosting:** GitHub Pages.

**Other:** OOP, REST APIs, Responsive UI, CRUD operations.

## PROJECTS

---

### Shopping Mall Management System

Tech Stack: Java, Spring Boot, MySQL, HTML, CSS, JavaScript

- Developed a complete web-based application to manage shopping mall operations including shop details, customer records, and billing.
- Implemented CRUD operations for product inventory and customer management modules.
- Integrated Spring Boot with MySQL for secure data storage and efficient data retrieval.
- Built admin panel features to monitor transactions and manage shops with role-based access.
- Designed responsive UI ensuring smooth user experience across different devices.

### Task Master (Frontend Application)

Tech Stack: HTML5, CSS3, JavaScript

- Built a responsive task management interface allowing users to add, edit, organize, and delete tasks
- Implemented Local Storage for persistent data saving, maintaining tasks even after page reload
- Designed intuitive UI with modern CSS features including Flexbox and CSS Grid
- Added interactive features like task filtering, priority settings, and completion tracking
- Ensured cross-browser compatibility and mobile-responsive design

### Personal Portfolio Website

Tech Stack: HTML5, CSS3, JavaScript, GitHub Pages

- Created a responsive portfolio website showcasing projects, skills, and achievements
- Implemented modern UI/UX design with CSS animations and interactive elements
- Optimized website performance with semantic HTML and efficient CSS structuring
- Deployed and hosted on GitHub Pages with continuous updates via Git version control
- Ensured fast loading times and SEO-friendly structure

## EDUCATION

---

### B-Tech Computer Science and Business Systems

2021-2025

Excel Engineering College

### HIGHER SECONDARY

2019-2021

Narayana Jr. College

### SECONDARY EDUCATION

2018-2019

Bhashyam Public School

## CERTIFICATIONS
